**Subject:** Draft determination varying the Black Coal Mining Industry Award 2010 (mines rescue employees) - AM2016/34

Dear parties and representatives,

Please find attached a draft determination varying the *Black Coal Mining Industry Award 2010* pursuant to the CFMEU's application of 22 November 2016. This will shortly be uploaded to the Commission's website against the above matter number.

The draft determination largely reproduces the variation as sought by the CFMEU. However, you will note the allowances have been converted to the equivalent percentage of the standard rate to allow for adjustments in future years.

The draft determination is open for comment for two weeks, until close of business on Thursday 15 December 2016. The determination will be issued on Friday 16 December 2016 if there is no opposition.
