Dear Deputy President Sams

RE: AM2019/23 and AM2020/2 – Application by Trevor Warner

The Transport Workers' Union of Australia sought and was granted a short extension in which to file its submission in this matter.

Unfortunately, as a consequence of the escalation of the national response to the current global health crisis, our resources continue to be diverted to dealing with the effects of the pandemic which has hit the aviation industry particularly hard and is rapidly expanding to impact general transport.

In the circumstances the Union seeks a further extension for filing our submission, as has been granted to the AiGroup until 4.00pm on Tuesday, 7 April, 2020.

The Union does not believe that other parties will be prejudiced by this request, if granted.

Yours sincerely
