Subject: RE: AM2020/18 - s 157 SCHADS App

Dear Associate

We refer to our clients' Form F52 Applications filed on 1 June 2020 and the amended versions filed on 10 and 11 June 2020.

Our clients continue to press the revised Applications.

We consider that the documents sought in the Applications will be necessary for the purposes of our clients' reply materials, which are due to be filed by 25 June 2020.

For this reason, we respectfully request that the revised Applications be determined as a matter of urgency.

In the event that our clients are not able to obtain the relevant documents by mid-next week, our clients may seek to apply for directions to file this material by a later date.

Kind regards

Sam Cahill
