Dear Commissioner Bissett

I refer to the decision issued on 4 November in matter AM2021/66 – [2021] FWC 6228.

I think there may be a minor error or possibly a typo in paragraph [7] of the decision.

Clause 11 Casual Employees of the GRIA 2020 is quoted. At 11.2 of the quotation, a reference is made to 11.5. I would suggest that it should be 11.3.

I don't think this in any way impugns the decision, as the decision as enunciated, is in our view an appropriate resolution to the matter.

FYI.

Regards

Ian
