**Subject:** AM2014/197 Casual Employment - Black Coal Mining Industry Award 2010 - draft directions

Dear Associate,

I refer to the above matter and to proposed directions proposed by the Ai Group via email on 11 July 2016.

I wish to advise that the CFMEU does not object to the proposed directions. However, we reserve our right to seek a further opportunity to make submissions in the event that the material filed by the Ai Group is not truly responsive to the submissions already filed, or in the event that the submissions introduce new matters.

I would be grateful if you could communicate this position to the Vice President.

Kind regards,

Alex Bukarica
