Subject: AM2014/197 Casual Employment - Joinery and Building Trades Award 2010 - draft directions

Dear Vice President Hatcher,

I refer to the above matter and to the directions proposed by the Ai Group via email on 11 July 2016.

I wish to advise that the CFMEU (Construction & General Division) does not object to the proposed directions. However, we reserve our right to seek a further opportunity to make submissions in the event that the material filed by the Ai Group and other employer organisations is not truly responsive to the submissions already filed, or in the event that the submissions introduce new matters.

Yours faithfully,

Stuart Maxwell
