review of modern awards - Common issue - Transitional provisions – District Allowances

Dear Associate,

For the following reasons, the ASU respectfully request an extension of one week, to 5pm Friday, 23 February 2017, to file supplementary submissions and evidentiary material.

In the course of conducting extensive consultation from Melbourne with our state branches and coordinate fresh witness evidence as well as supplementary submissions, two issues now arise at late notice. Both issues have caused difficulty in finalising supplementary materials for the ASU application. Our WA branch suffered a bereavement due to the unexpected passing of an long serving ASU colleague earlier this week. Further, recent resignations of key office staff in Perth have reduced staffing numbers available to assist with correspondence.

It has therefore been necessary for the ASU to delay finalising our evidence and supplementary submissions in support of the ASU application for matter no. AM2014/296.

Should you have any queries regarding this request, please do not hesitate to contact me on (03) 9342-1450 or 0419 593396.

Kind regards,

Joanne Knight
