Subject: AM2014/190 - four yearly review of modern awards – transitional provisions – accident pay provisions [BD-CM.FID2909577]

Dear Associate

AM2014/190 - four yearly review of modern awards – transitional provisions – accident pay provisions

We refer to the directions issued by Deputy President Kovacic on 27 June 2017.

The Coal Mining Industry Employer Group (**CMIEG**) will unfortunately not be in a position to finalise its submissions and any evidence in reply by 28 July 2017 in accordance with the current directions. This is primarily due to the significant volume of materials filed on 4 July 2017 by the union parties. The CMIEG is continuing to review and consider this material and prepare its reply.

Accordingly, we respectfully request that the directions issued on 27 June 2017 be varied to provide for the CMIEG to file and serve any evidence and submissions in reply by 5.00pm on **Friday, 18 August 2017**.

We have corresponded with the representatives for the CFMEU, APESMA and AMWU and we are advised that those parties are not opposed to an extension to the filing and service of evidence and submissions in reply to 18 August 2017.

Could you please let us know his Honour's view concerning this request.

Yours sincerely

Trent Sebbens
