Dear Vice President Hatcher

Subject: Common Issue – Casuals (AM2014/196 and 197; AM 2014/208)

I refer to your Directions of 29 July 2016.

In accordance with those Directions I can advise as follows:

1. The following persons required for cross examination will need a video link from the following locations:
 - Shane Dewsbery – Hobart, Tasmania
 - Ben Doolan – Perth, Western Australia
 - Ben Romanowski – Adelaide, South Australia
2. I wish to confirm my previous advices that I propose to rely upon the statement of Geoffrey Ivan Ferris, dated 10 October 2015 and have been duly advised that Mr Ferris is required for cross examination. He will attend the hearing in person.
3. I advise that the witness referred to in the Directions of 29 July 2016 as Den Adam Campbell is not a witness for APTIA.

I give notice that I would also seek the indulgence of your Honour to allow, not before 10.00am on 19 August 2016, to provide oral submissions on behalf of APTIA to meet Counsel's convenience.

Yours faithfully

Ian MacDonald, National Industrial Relations Manager
