**Subject:** RE: AM2014/196 and 197 Part-time and Casual Employment - Horticulture Award

Dear Associate,

Re: AM2014/196 and 197 Part-time and Casual Employment – Horticulture Award

We refer to the above, and your email dated 28 September 2017.

The NUW seeks the opportunity to make further submissions to the Full Bench in this matter in order to respond to materials filed by the employer parties. The submissions we filed on August 23 2017 were submissions made as directed by the Full Bench in the Decision. These submissions did not go to the matters raised by employer parties in their submissions.

As we will not require the NFF witnesses for cross examination, our preference would be to make further written submissions so as to avoid the need for further hearings.

We propose to file written submissions by 5pm on 27 October 2017.

Should the Full Bench prefer to hear further oral rather than written submissions, we request an opportunity to appear.

Please advise whether this proposed process would be suitable to the Commission.

Regards,  
George
