Subject: RE: AM2014/209 Pharmacy Industry Award

Dear Jo,

The parties had a teleconference last Thursday to discuss all remaining substantive issues, including changes sought by the SDA and the Guild. The discussions were very positive and we believe we are close to resolving most, if not all of the outstanding claims. We are currently waiting on a response from the Guild and some draft wording.

Once we have resolved discussions the parties will provide a further update to his Honour regarding the claims which we have reached agreement on and any unresolved matters and a timeframe to deal with those.

Julia Fox will be the point of contact for the SDA in my absence. I have cc'd her into this email, for future correspondence. While we are happy to continue this process in my absence we still request that any listings for the Pharmacy Award be postponed until after my return on the 26 September.

Kind Regards,

Katie Biddlestone

Dear Katie,

Further to the conference held on 4 August 2016 in the above matter, you indicated that you would advise Justice Ross how the SDA wishes to proceed with the proposed variations to the *Pharmacy Industry Award 2010*. You also indicated that the SDA would have discussions with the Pharmacy Guild regarding a proposed timeframe dealing with the SDA's claims, and advise Justice Ross within 2 weeks of the conference.

I note that you have previously informed the Commission that you are on leave until 26 September 2016. Is the SDA in a position to advise his Honour of these matters prior to the commencement of your leave?

Kind regards,

JO RICHARDSON
