Please find attached the National Road Transport Association's comments on the Exposure Drafts for the Road Transport and Distribution Award 2015 and the Road Transport (Long Distance Operations) Award 2015. Following on from the conversation yesterday with the President's Associate, Ms Richardson, we also note that as the making of these submissions is outside of the time set out in with paragraph [226] of the Group 2 Decision [2016] FWCFB 7254, we request an extension of time to today to file these submissions. In that regard, I have copied in the President's Chambers.
