Dear Parties,

Further to the Directions issued by the Commission on 12 May 2016, the Commissioner notes that on 18 May 2016 the Group of Eight Universities, the AHEIA and the AFEI responded.

Based on those replies the Commission anticipates being able to distribute a further amended version of the Exposure Draft marked up with agreed changes on Friday this week.

In light of the response, if the parties would consider it useful, the Commissioner can make himself available for a further conference in relation to the technical and drafting issues next **Wednesday, 1 June 2016**.

I ask that the parties confer with each other and advise me whether they want to avail themselves of a further conference. Please respond by 10 am on Monday, 30 May 2016.

Kind regards,
