Subject: Request for extension re comments on exposure drafts: Silviculture Award 2010 and the Sugar Industry Award 2010

Dear Mirella,

Further to our previous email seeking an extension for comments on the exposure drafts for the Pastoral and Horticulture awards until 12th April 2019, we would now respectfully ask that this extension also be applied to our comments due on exposure drafts for the Silviculture Award 2010 and the Sugar Industry Award 2010.

Unfortunately we have had little time to view and assess the drafts for comment in the time since they were released, as we have been dealing with a number of significant matters that have demanded a great deal of our attention during this time – primarily in relation to the Federal budget and upcoming election. We apologise for any inconvenience this may cause.

Yours faithfully,
