Subject: RE: AM2014/250 - Fair Work Commission Modern Award Review [HWLE-Matter.C088885.313668]

Dear Persephone

I refer to the attached correspondence and apologise for the delay in responding.

I confirm that the National Aboriginal and Torres Strait Islander Health Worker Association's (NATSIHWA) request for an extension has been granted. NATSIHWA is to file any further submissions on substantive claims being pursued in respect of the *Aboriginal Community Controlled Health Services Award 2010* (the Award) by **4pm Friday 23 December 2016**.

In regards to NATSIHWA's request for further conferences, substantive issues in the Award will be the subject of further conferences and will be dealt with by a separately constituted Full Bench in due course. I note that the Award is listed for conference on [23 January 2017](#) before Commissioner Cirkovic in respect of technical and drafting issues only.

Please do not hesitate to contact me if you have any further queries.

Kind regards

JO RICHARDSON
