The Associate to  
The President

Dear Associate

We note the direction of the President of 26 August 2016 concerning the filing of draft determinations, making of additional claims and confirmation that claims made are to be pursued and other matters.

United Voice is interested in a number of stage 4 awards. We are well advanced in settling the draft determinations and a lengthy submission document in answer to the order made by his Honour.

We have limited resources and there are some internal processes that need to be complied with. We want to provide to the Commission as response which is comprehensive and assists the efficient conduct of these award reviews.

We apologise to the Commission and others interested in our response but will be unable to file our response until **4pm, Thursday 6 October 2016**. We shall endeavour to file earlier if we are able to.

Stephen Bull
