Dear Justice Ross

Unfortunately, due to an unavoidable prior commitment in regional NSW, I will be unable to attend the hearing scheduled for the 6<sup>th</sup> of December.

AAAA is comfortable relying on our written submission, and does not see any of the issues raised in that submission as being substantive, but rather mostly updates on changes to CASA regulations that any redrafted award might reference, or suggestions that provide feedback and hopefully clarification on questions posed by the Commission.

Should the Commission decide that any issues raised are substantive, AAAA would be only too happy to provide further information or submissions at a suitable time.
