Dear Associate to the President,

On the 28 February 2019, the President issued a Statement [\[2019\] FWC 1262](#) which included a timeline at Attachment A. That timeline indicated the deadline for parties to provide comment on the Exposure Drafts for Group 4 by 12 April 2019.

I am writing on behalf of the Flight Attendants' Association of Australia (FAAA) to request an extension on the deadline for parties commenting on the Exposure Draft for the Group 4 Award, Aircraft Cabin Crew Award 2010.

A number of matters have arisen in the recent times which have prevented the FAAA from being able to conclude its review of the Exposure Draft to provide comment. The FAAA International Division has also employed two new Industrial Legal Officers, which has required a review of the history of 4 yearly review proceedings for this Award.

We respectfully request an extension to provide comment about the Exposure Draft by close of business Thursday, 18 April 2019.

Kind regards,

Michael  
FAAA
