Dear Associate to Senior Deputy President Watson,

We refer to the Statement issued on 1 April 2016 in matters AM2014/260 and AM2014/274.

After our preliminary consideration of the Exposure Draft, we advise that Ai Group's outstanding claims, in the above matters, are not able to be removed from the Summary of proposed variations.

Please do not hesitate to contact the writer if there are any further queries.
