**Subject:** AM2014/261 - Car Parking Award 2010

Dear Parties,

I refer to the *Car Parking Award 2010* and the conference held before the Deputy President earlier this morning.

On reflection, the Deputy President proposes to leave clause 23.3 of the exposure draft unaltered as the proposal suggested will adversely affect the entitlement of day workers to annual leave loading.

Please advise whether you have a contrary view.

Kind regards,

**Suzie Kairouz**  
Associate to Deputy President Gostencnik
