Subject: RE: AM2014/264 Dry Cleaning and Laundry Industry Award 2010 [SEC=UNCLASSIFIED]

Dear Amod

We would support the removal of the word *'average'* and that clause 13.1 should read *'the ordinary hours should **be** 38 hours.'* This is a clearer and less ambiguous formulation particularly as there is no formal averaging mechanism within the Award that applies to the work.

Thank you for seeking our advice and we trust this assists.
