Subject: Electrical, Electronic and Communications Contracting Award 2010 - Schedule B

Dear Deputy President

As indicated in the AIG email dated Tuesday 14th February 2017 with respect to Schedule B of the Electrical Contracting, etc. Award, Fire Protection Association Australia has not made any comments, to date with respect to this matter. However, FPA has observed the respective comments and supports a consensus approach to this matter. In that regard, it acknowledges the concerns raised by the Master Electricians Association with respect to public holidays as well as the matters raised in emails of 31st January and 9th February 2017 by the National Electrical Contractors Association. These matters, if not resolved prior to the conference set for 28th February, will hopefully be resolved then.

Regards

Richard Krajewski
