Subject: Plumbing and Fire Sprinklers Award 2010 Conference - 6th February 2017

Dear Deputy President,

In response to the Notice issued by the Fair Work Commission concerning the Plumbing and Fire Sprinklers Award Conference issued today, 22nd December 2017, on behalf of Fire Protection Association Australia, I wish to respectfully request that there be a video connection for Sydney with respect to the Conference chaired by yourself at 9.30am on Monday 6th February 2017 in connection with the Plumbing and Fire Sprinklers Award 2010. If such arrangements can be made at the Fair Work Commission in Sydney, that would be much appreciated.

We thank you in advance.

Regards
