In accordance with Directions issued by the Fair Work Commission on 26th February 2016, the National Fire Industry Association confirms its interest in the Plumbing and Fire Sprinklers Award 2010.

NFIA confirms that it will participate in the Conference scheduled for 30 March 2016 in Melbourne

The Master Plumbers group have communicated with the NFIA on issues they wish to progress. FPA Australia has not conferred with NFIA on the issues they have identified and which they seek to progress.
