Dear Commissioner

Further to the conference before the Commission which took place on 31<sup>st</sup> May 2017.

Unfortunately due to workload it has not been possible for the Association to comply with the direction of providing a further response to employer parties in respect of Item 10 – Summary of Submissions – Technical and Drafting by Wednesday 14<sup>th</sup> June. This matter pertains to Clause 2.4 – Scientist Stream of the Exposure Draft.

The Association would appreciate it, if the Commission were to be agreeable, a revised deadline of 28<sup>th</sup> June with a subsequent delay in the scheduling of the next conference.

Yours Sincerely

**Michael Butler**
