Dear Ms Bratley,

Further to my email below, I draw your attention to the [attached email](#), published to the website, in which parties opposing a variation proposal were granted an extension to file in the Commission the witness statements, expert's reports and other evidentiary material upon which they intend to rely, together with an outline of submissions, on or before **4.00pm Tuesday 21 November 2017**.

**In light of this, [the email below](#) should be disregarded and the Endeavour Foundation shall, with other parties file its materials by the above date.**

Kind regards,

**Ingrid Stear**
