Your Honour

In reference to your directions of 20 July concerning the application to make changes to the Supported Wages System tool contained within the Supported Employment Services Award.

It is my understanding that there are no objections to the changes as proposed by the HSU and that as such there will not be a mention on Monday morning. If I'm incorrect I apologise for the late notice today, and advise that I will not be in attendance at 9am Monday 11 September. Please accept my apologies in advance if my failure to attend in person interferes with a mention. If required I can be in attendance, at the very least, by phone.

Regards.../ Leigh Svendsen
