Subject: Cross-examination - AM2014/286
Importance: High

Hello Ms. Stear

Further to the above matter – and witness statements provided by the applicant parties - we advise that, as part of the proceedings

Our Voice Australia wishes to cross examine
Ms Leigh Svendsen and
Messrs Cain and McFarlane

We have participated in AM2014/286 and AM2013/30 – as well as the conciliations there-of and are an unfunded voice for family carers and ADE workers
As such – we have no legal counsel and I will be representing the views of family carers and our ADE workers – in this matter

To date we have attending hearings in Sydney – as well as the MSWS Trials - and would incur increased personal travel costs should the Hearings be sited in Melbourne.
However, these witnesses represent the applicants – so we will be available at the Commission’s directions-

Thanking you

Mary Walsh
