Subject: Commission Matter No. AM2014/286

Dear Vice President,

We acknowledge receipt of the orders, received today 18 September, 2017, to produce documents for AED Legal Centre with a due date of submission for the 20 September, 2017.

We would ask the Commissions indulgence for additional time to complete the submission of these documents.

We are a charitable organisation with limited administrative staff numbers. The documents requested relate to a wage tool that ceased being used, I believe, by the Organisation in or around 2009 and would require significant effort to produce. Further, the manager responsible for this area is on a week's leave and most of the staff are very new to the Foundation.

Could we please ask for an extension of one month to either produce what information we can or assess our options in regard to having the order varied or set aside?

Your favourable consideration of our request would be appreciated.

Kind regards

Shane Yensch
