Subject: AM2014/287 - Surveying Award 2010

Dear Associate,

We write in relation to the above matter which was listed for hearing before the Full Bench on Tuesday, 6 December 2016.

During the hearing the AMWU committed to advising the Bench in writing as to its position in relation to questions posed within the Exposure Draft upon which written submissions had not previously been made.

Clause 7.3

The parties were requested to express a view in relation to the necessity of a reference to clause 7.3(b) within clause 7.3(b).

The AMWU submits that the clause reference remains necessary and that it should be retained in its current form.

Clause 24.2

The parties were requested to express a view in relation to the wording of clause 24.2.

The AMWU submits that the words "is deemed to be work in excess or outside of ordinary hours of duty and" should be retained.

Sincerely,

Hugh Arjonilla
