Attention: Lisa Powell

Ms Powell,

Vehicle Manufacturing, Repair, Services and Retail Award – AM2014/93

Motor Trades Association of Queensland, Industrial Organisation of Employers confirms our support for the deletion of Clauses 11.9(b) and 11.10(b) from the Exposure draft of the above award, as these rates are no longer relevant since any apprentices having started their apprenticeships prior to 1 January 2014 would have already completed their apprenticeship.

Regards
