Your Honour,

Re: AM2016/2 -Australian Federation of Air Pilots substance submission to the 4 Year Review of Modern Awards

We are writing in regards to our application, pursuant to a Form 46 Application to Vary a Modern Award (as attached), to vary the *Air Pilots Award 2010* (the Award), that forms a substantive submission to the 4 Year Review of Modern Awards before you presently. We filed the variation application on 15 February 2016, and it is presently awaiting Hearing.

We sincerely apologise for failing to provide further submissions prior to **30 September 2016** pursuant to the directions statement issued by your chambers on 15 August 2016 ([2016] FWC 5694) It appears we have not been receiving the alerts for such matters, despite our subscription to the website facility. This is now being attended to.

To this end, we respectfully inform Your Honour that it is our intention to rely on our initial submission, being the attached Form 46, in advance of your consideration of our application for variation of the Award at Hearing.

Do not hesitate to contact us if we can further clarify any of the aforementioned issues.

Best Regards,

Cate Larkins
