Dear Vice President

**Re: AM2014/280 Plumbing and Fire Sprinklers Award 4 yearly review of modern awards**

In regards to the directions issued on March 17<sup>th</sup> 2017 the CEPU Plumbing Division would seek leave to cross-examine any witness that makes an oral submission to the Plumbing and Fire Sprinklers Award.

It is noted that the submission filed by the Master Plumbers Association of NSW on the 30<sup>th</sup> of September 2016 states that the association anticipates that up to four witnesses could be called.

As these witnesses have not been named and no other correspondence or witness statements have been lodged the CEPU Plumbing Division would like the opportunity (if it sees fit) to cross examine these witnesses if in fact they are called to give oral evidence.

It is also noted that no other employer organisation with an interest in the Plumbing and Fire Sprinklers Award has indicated that they will have individuals give oral evidence in regards to their claims.

Thank you

Paul Coffey

CEPU Plumbing Division Industrial Officer
