Dear Associate to Vice President Hatcher,

We refer to the correspondence below and advise that Master Builders Australia would not oppose the holding of further conference as foreshadowed. Like AiGroup, we would also be grateful if any conference so convened could possibly be held in the morning given existing commitments interstate later that afternoon.

In addition, we would kindly seek a filing extension in the same terms as we understand has been afforded to some of the other parties so that Master Builders materials are also filed on 5 November. In making this request, we indicate Master Builders would not object to an extension in similar terms being granted to all other interested parties.

We thank the Commission for its consideration of this correspondence.

Kind regards,
Shaun Schmitke
