Subject: Plumbing and Fire Sprinklers Award 2010

Dear AMod

I refer to the *Summary of Proposed Substantive Variations* document published by the Commission on the 4 Yearly Review Website.

The Master Plumbers Group has previously advised the parties (through written submissions) that we no longer intend to pursue the variation of the *Plumbing and Fire Sprinklers Award 2010* to provide for Junior Rates for Plumbing and Mechanical Services Worker / Sprinkler Fitting Worker Level 1(a) – 1(d).

The Junior Rates issue is listed at Item 18 of the *Summary of Proposed Substantive Variations*.

It is noted in the *Summary of Proposed Substantive Variations* document that the Master Plumbers Group are still pursuing the variation – it would be appreciated if that could be corrected.

Thanks.

Phil
