Subject: RE: Re email AM2016/24 - Notice of Listing & Coverage Issues

Dear Josh,

I have spoken with our National Director and can confirm that Australia for UNHCR would like to withdraw the Form F46 that we submitted in relation to this matter.

Please advise if you require any additional information from us at this stage.

I will contact the AMOD team to subscribe to your email list regarding this matter.

Kind regards,
Matthew

Kind Regards,
