Dear Ms White

Thank you for contacting me about our lay evidence submitted on 22 December last year. Specifically, Annexure 10 – the ‘Work Value of a Community Pharmacist Part II: Semi-structured interviews’ Report which seems to have every second page missing. It seems that it was photocopied incorrectly and this was unfortunate not picked up at the time.

Please find attached a [full and correct version of Annexure 10](#).

I have copied this email to the Pharmacy Guild representatives who are currently preparing submissions in relation to this matter

Once again thanks for bringing this to my attention.

Apologies for any inconvenience caused

Regards

Subject: FW: AM2016/28 -Modern Award Review Pharmacy Industry Award [SEC=UNCLASSIFIED]

Dear Ms Baulch

I write in relation to APESMA's witness evidence sent via email on 22 December 2017 (please see email below).

Upon preparing folders for the upcoming Mention and Hearing in the AM2016/28 matter, it has come to AMOD's attention that Annexure A.10 – the 'Work Value of a Community Pharmacist Part II: Semi-structured interviews' Report appears to be missing every second page. I have **attached** the original document received on 22 December 2017.

Can you please let me know if the attached report is the full version, or whether there is content missing? If there is content missing, can you please send a new full copy via email to AMOD.

Thank you for your assistance.

Kind regards

Amy White
