Good morning Associate,

We refer to the directions issued in this matter dated 27 September 2022.

APESMA and PGA have been working towards producing an agreed statement of facts document, however, with a few remaining items yet to be resolved we are not able to file the document today.

Parties jointly request please that we have a further week (i.e. by 2 November 2022) to file the agreed facts and issues in dispute.

Further, the upcoming directions hearing date in this matter has been listed on the Melbourne Cup public holiday.

We also request that an alternative and later date be found for the directions hearing please.

I confirm that the PGA is cc'd into this email and agrees with the above requests.

Regards,

Greg Hall
