**Subject:** RE: AM2016/30 Alpine Resorts Award 2010

Dear Associate

**AM2016/30 Alpine Resorts Award 2010**

We refer to your email below in the above proceedings.

Following the telephone directions hearing before Deputy President Dean on 28 April 2017, the parties have communicated regarding proposed schedules for both a one-day inspection and a two-day inspection. Regrettably, however, the parties have not been able to reach a consent position with respect to the proposed run-sheets.

Two competing versions have been prepared by ABI/NSWBC/TCC and the ASAA respectively. Please find **attached**:

1. A run-sheet for a one-day inspection proposed by ABI/NSWBC/TCC;
2. A run-sheet for a two-day inspection proposed by ABI/NSWBC/TCC;
3. A run-sheet for a one-day inspection proposed by the ASAA; and
4. A run-sheet for a two-day inspection proposed by the ASAA.

In the circumstances, the parties respectfully request that the Commission determine an appropriate schedule for the inspection, having regard to the respective proposals that are advanced by the parties. This process could alternatively be addressed by way of a conference, facilitated by the Commission, if the Bench considers that to be an appropriate way of dealing with the issue. It is the ASAA's preference that a conference be conducted and facilitated by the Commission, but the Association will leave that decision in the hands of the Commission.

The views of the other parties in respect of the competing run-sheets are as follows:

- The Australian Hotels Association support the ABI/NSWBC/TCC run-sheets;
- The SDA and AWU support the ASAA run-sheets; and
- The Mount Hotham Resort Management Board does not take any position in relation to the run-sheets, and is happy to leave it in the hands of the Commission to determine an appropriate schedule for the inspections.

Lastly, both ABI/NSWBC/TCC and the ASAA consider that a 2-day inspection would be the preferable course of action. No other party has expressed a different view in respect of that issue.

Please do not hesitate to contact us should you wish to discuss.

Yours sincerely

**Kyle Scott**
