Dear Associate

**Re: AM2016/30 Alpine Resorts Award – Hearing section 2 and 3**

We refer to the above and to our previous correspondence regarding the AWU's application to make written submissions as to the two sections of the hearing we were unfortunately absent from.

We confirm the AWU still intends to file written submissions however as a result of further matters beyond the union's control we were delayed in being able to access the transcript and as such have not been able to file within the time granted by the Full bench.

Notwithstanding the delay, we write to confirm our intention to file written submissions and advise the Full Bench by way of update that we anticipate we will be in a position to file our written submissions by no later than close of business this Friday, 1 December 2017.

We confirm we have cc'd all other parties into this correspondence. Please do not hesitate to contact the writer in relation to the above.

Yours sincerely
