Subject: RE: Health Professionals and Support Services Award 2010 - Matter Number: AM2016/31 - Scheduling Request

Dear Sir,

On behalf of the Dental Hygienists Association of Australia (**DHAA**), I am writing to request confirmation of the parties' scheduling request, made to Deputy President Gooley on 21 June 2017, and in my correspondence to you of 2 July 2017, to:

- . have the Health Professionals and Support Services Award matter listed **for the week of Monday 11th December** and
- . for the Nurses Award to be separated from the Health Professionals and Support Services Award, and thereby heard first in the week set aside in November.

In addition, I am writing to request that the parties to the Health Professionals and Support Services Award matter agree on a schedule for matters to be addressed during that week, so that witnesses need only be present for one day.

The Australian Dental Association (ADA) supports this scheduling request.

I respectfully request confirmation of this scheduling by way of a Notice of Listing for the week of Monday 11th December. I also request distribution of a draft document listing the order of outstanding items related to the HPSS Award, to be heard by the Full Bench with a draft timetable for these items in the week of Monday 11th December, for comment from the parties.

Regards,

Katrina Murphy
