Dear Vice President Catanzariti

We refer to the Directions relating to the *Nurses Award* dated 23 November 2016.

Those directions require parties to file submissions and witness evidence regarding substantive issues by 3 March 2017.

The ANMF has nearly finalised submissions and witness statements however this has taken longer than expected.

Accordingly we would respectfully request a week's extension to file our materials by 10 March 2017.

We thank you for considering our request.

Regards
