Good morning Mr Tindley,

Given Directions were issued, it would be beneficial to all parties (and the Commission) to have confirmation of your client's position in relation to this matter. There are two options:

1. Re-file the draft determination; or
2. Provide written correspondence confirming your clients rely on the materials previously filed, including the date of those materials.

Regards,

Casey Sutton

Dear Associate

We refer to item 1 of the Directions issued by His Honour on 12 February 2019.

We had assumed, given that we had already filed a Draft Determination in respect of our application to vary clause 12 of the above award, that we would not be required to re-file that Draft Determination. Could you please advise whether our assumption was correct?

Kind regards
