Subject: AM2018/18 and AM2018/20: Children's Services Award/Teachers Award - Video Link

Dear Associate,

RE: AM2018/18 and AM2018/20: Children's Services Award/Teachers Award

The parties have had some discussion regarding the order of witnesses, and United Voice understands that there is general agreement to United Voice witnesses giving evidence on Monday 6 May.

We request a video link to the FWC in the following states:

Bronwen Hennessy – South Australia

Pixie Bea –A.C.T

Preston Warner –QLD

Alicia Wade –QLD

Dr Marianne Fenech will be available in person in Sydney.

We note that there is a public holiday in QLD on Monday 6 May. Could the Commission please advise as to whether video link facilities will still be available?

Thank you,

Natalie Dabarera
