Subject: RE: AM2018/26 Social, Community, Home Care and Disability Services Industry Award 2010 – Request for extension of time

AM2018/26

Four yearly review of modern awards

Social, Community, Home Care and Disability Services Industry Award 2010

Dear Associate,

We refer to the above matter and the correspondence from Australian Industry Group ('Ai Group') requesting an extension for filing submissions

We object to Ai Group's request.

The HSU filed its submissions and evidence on 15 February 2019. By the due date of 26 June 2019, Ai Group will have had a lengthy period of over four months to prepare their submissions in response to the HSU claims. Ai Group have not provided sufficient reasons as to why a further month extension should be granted.

We note that the employer parties have already been given a prolonged extension of time to file their submissions in response to the union claims. The original directions issued on 4 February 2019 required employer parties to file their submissions in reply by 5 April 2019.

The extension will cause prejudice to the HSU in responding to the employer material in the time available. The union parties already have a significantly shorter period of time to reply to the submissions of the employer parties.

For the reasons above we also object to AFEI's request for the same extension.

Regards,
