Subject: Re Statement [2020] FWC 3396

Dear Chambers,

I write regarding the Statement published by Commissioner Bissett regarding matter AM2019/17 (4 yearly review of modern awards) on 2 July 2020. Specifically, the Statement deals with concerns regarding the omission of vehicle manufacturing shiftworker public holiday and Sunday rates in the Manufacturing and Associated Industries and Occupations Award 2020.

This Commissioner requested that parties comment on the draft determination attached to the statement by 4pm today, and encouraged parties to put forward a joint position.

The AMWU and the Ai Group have been in discussion regarding the matter, however due to time constraints will be unable to finalise a joint report by the end of today. As such, I request on behalf

of the AMWU and the Ai Group that the deadline to respond be extended until 4pm Tuesday, 21 July 2020.

Apologies for the delay.

Kind regards,
