Subject: AM2020/25 - Four yearly review of modern awards - finalisation of exposure drafts - Black Coal Mining Industry Award 2010

OFFICIAL

Dear Parties,

Further to the decision of the Full Bench ([\[2020\] FWCFB 5908](#)) the Commission has prepared some draft variations to the Award to give effect to that decision. These are attached to this email.

These [proposals](#) are put forward to assist in the consultation process and do not indicate a concluded view of the Commission.

In relation to the Overtime for Shiftworkers matter at [40] –[44] of that decision the Commission would be assisted if the CFMMEU could provide its proposal to reflect this change to chambers and to other parties by **4.00pm Monday 30 November 2020** to assist in informing discussion on Wednesday.

If the parties have had separate discussions to resolve any of these matters and/or have alternative proposals, the provision of these **prior** to the conference next Wednesday would be appreciated.

Kind regards,

Simon Halstead
