Schedule J. An agreement under clause 19.5 can also be made by an exchange of emails between the employee and employer, or by other electronic means.

- (d) The period of time off that an employee is entitled to take is the same as the number of overtime hours worked.

EXAMPLE: By making an agreement under clause 19.5 an employee who worked 2 overtime hours is entitled to 2 hours’ time off.

If the employer agrees to the request then clause 19.5 will apply, including the requirement for separate written agreements under paragraph (b) for overtime that has been worked.

Note: If an employee makes a request under section 65 of the Act for a change in working arrangements, the employer may only refuse that request on reasonable business grounds (see section 65(5) of the Act).

- (k) If, on the termination of the employee’s employment, time off for overtime worked by the employee to which clause 19.5 applies has not been taken, the employer must pay the employee for the overtime at the overtime rate applicable to the overtime when worked.

- D.5** A school-based apprentice must be allowed, over the duration of the apprenticeship, the same amount of time to attend off-the-job training as an equivalent full-time apprentice.
- D.6** For the purposes of this schedule, off-the-job training is structured training delivered by a Registered Training Organisation separate from normal work duties or general supervised practice undertaken on the job.
- D.7** The duration of the apprenticeship must be as specified in the training agreement or contract for each apprentice but must not exceed six years.
- D.8** School-based apprentices progress through the relevant wage scale at the rate of 12 months progression or the rate of competency-based progression for each two years of employment as an apprentice or at the rate of competency-based progression if provided for in this award.
- D.9** The apprentice wage scales are based on a standard full-time apprenticeship of four years (unless the apprenticeship is of three years duration) or stages of competency based progression (if provided for in this award). The rate of progression reflects the average rate of skill acquisition expected from the typical combination of work and training for a school-based apprentice undertaking the applicable apprenticeship.
- D.10** If an apprentice converts from school-based to full-time, the successful completion of competencies (if provided for in this award) and all time spent as a full-time apprentice will count for the purposes of progression through the relevant wage scale in addition to the progression achieved as a school-based apprentice.
- D.11** School-based apprentices are entitled pro rata to all of the other conditions in this award.
