Subject: B2023/538 Application by UWU, AEU and IEUA re Early Childhood Education and Care Sector - Request for extension

Dear Associate

Re B2023/538 Application for a supported bargaining authorisation – Request for extension of time

We write in relation to the above proceedings and the directions issued by the Fair Work Commission on 14 June 2023.

We act for the Australian Childcare Alliance in relation to the above matter.

In paragraph [3] of the directions issued, the Fair Work Commission provided the applicants and respondents with the opportunity to file reply submissions by 4pm on 11 August 2023.

We write to respectfully request a short extension of time for all such parties to file their reply materials to 4:00pm Monday, 14 August 2023. The reason for our request is in order to provide sufficient time to review, consider and prepare a response to all of the materials filed by the peak councils, which as a result of a variation to the directions were only available on the Commission's website since Tuesday, 8 August 2023.

We do not envisage that the interests of any other party or peak council would be substantially prejudiced if the extension sought is granted.

We apologise for the late notice of this request and thank the Commission for its consideration of this matter.

The other parties are copied into this correspondence.

Yours faithfully,
Tamsin
