Dear Associate,

The NFF is currently preparing to file submissions in reply and a number of short witness statements in the above matter.

Unfortunately, we are not in a position to finalise all of the statements by 01/12/23 as required by the directions his honour issued on 22/09/23, as we are dealing with farmers located remotely in different regions (and farming various commodities). As such, I respectfully request a short extension, to close of business on the following Tuesday (05/12/23).

In addition, I can confirm that I will be appearing for the NFF and request a video link.

Kind regards,

Ben Rogers
